### General Information

- We have recreational programs for boys and girls entering Kindergarten through Grade 8.
- All divisions are formed either by grade or combining 2 grades.
- PRACTICES are organized around coach and field availability during the week. Coaches work to schedule one hour of practice per week based on the majority of their team's availability.
- GAMES will be played on Saturday mornings between at 800a and 1p at Cole Street throughout September and October.
- SEASON begins on Saturday 9/7/24 and will run for (8) consecutive weeks with the final games on 10/26/24.
- Competitive play will return in the Fall for Grades 1 and higher
- Black Goose players are not required to participate in Recreational Soccer

### **VOLUNTEER COACHES NEEDED!!!**

**SYS is committed to a creating a fun experience for the kids but we NEED volunteers to help make that happen. PLEASE consider being a Team Coach or Asst. Coach!**

- **Never coached before? No problem!** Seekonk Soccer has partnered with *Resendes Soccer Academy* to provide you with weekly with training plans as well as a 30min session with your team
- **How big is a team?** We play 4v4 for Kindergarten, 7v7 for Grades 1-4, and up to 9v9 at the Grade 5-8 Level. More volunteers = Smaller Team Size = More playing time
- **Time Commitment?** We are only asking for a couple of hours/week for coaches. That's it! If you are at practices and games with your child then you've already made most of the commitment. Take the next step to help coach!
- **Ready to Volunteer?** Coaches will receive a 25% discount off their child's registration. Click on the Coaches Registration Link [Coach Registration](#) OR make a note on your child's registration, OR email [president@seekonksoccer.org](mailto:president@seekonksoccer.org) with questions.
